# “Edmonds is a *welcoming* city, offering outstanding quality of life for all.

Later this year, the City of Edmonds will begin updating our city's Comprehensive Plan, as required under state law.

Over the summer, we conducted a summer of outreach to learn about community members' vision for the future of Edmonds. The feedback we received was summarized into our draft Vision Statement, illustrated on the reverse.

This statement, based on X,000 comments collected by staff, will shape Comprehensive Plan updates, and we want to make sure we got it right. Let us know what you think!
